<sup>10</sup> The findings and conclusions set forth herein constitute the Bankruptcy Court’s findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052. To the extent any findings of fact constitute conclusions of law, they are adopted as such. To the extent any conclusions of law constitute findings of fact, they are adopted as such.

**F. Notice.** Adequate and sufficient notice of the Motion has been provided in accordance with the Bankruptcy Code, the Bankruptcy Rules and the Local Bankruptcy Rules, and no other further notice of the Motion or the entry of this Final Order shall be required.

**G. *Transactions in the Ordinary Course of Business.***

a. Prior to the Petition Date, in the ordinary course of its business, FGMC sold and repurchased mortgage loans and related assets, including, but not limited to, pursuant to terms and conditions of master repurchase agreements with (i) Customers Bank, (ii) Texas Capital Bank, National Association, (iii) J.V.B. Financial Group, LLC, as successor by merger to C&Co./PrinceRidge LLC, and (iv) Flagstar Bank, FSB (each a “Prepetition Repo Buyer” and, collectively, the “Prepetition Repo Buyers”) (collectively, the “Prepetition Repo Facilities”). In addition, beginning on June 8, 2022 and continuing until the Petition Date, FGMC financed the origination of mortgage loans with loan proceeds advanced by B2 FIE XI LLC, (in such capacity, the “Prepetition Secured Noteholder”) pursuant to the terms of that certain Amended and Restated Secured Promissory Note dated as of June 22, 2022 (the “Secured Promissory Note”, and the mortgage loans financed thereunder, the “B2 FIE Financed Loans”). As of the Petition Date, the total outstanding amount due under the Secured Promissory Note is \$18,350,771 (the “Prepetition Secured Note Outstanding Amount”), \$8,050,771 of which was used to finance the B2 FIE Financed Loans. From and after the entry of the Interim Order, FGMC’s sales and repurchases of mortgage loans and related assets pursuant to the DIP Repo Facility shall constitute transactions in the ordinary course of FGMC’s business within the meaning of section 363(c)(1) of the Bankruptcy Code.

b. Prior to the Petition Date, in the ordinary course of business, FGMC entered into forward transactions for the purchase or sale of mortgage-backed and other securities, including pursuant to “when-issued,” “to-be-announced,” “dollar roll” and other transactions with various regulated broker-dealers pursuant to the terms of various Master Securities Forward Transaction Agreements (“MSFTAs”), in order to, among other things, protect against potential interest rate exposure on mortgage loans originated by FGMC before such mortgage loan was permanently sold. The Debtors propose to continue such transactions in the ordinary course of business pursuant to amended MSFTAs, to the extent not terminated by the relevant counterparties, or otherwise with the DIP MSFTA Counterparties pursuant to the DIP MSFTAs. From and after the date of the Interim Order, FGMC’s entry into such transactions under the DIP MSFTAs shall constitute transactions in the ordinary course of FGMC’s business within the meaning of section 363(c)(1) of the Bankruptcy Code.

**H. *Safe Harbors.*** The DIP Repo Facility, the DIP Netting Agreement, and the DIP MSFTAs each constitute, as applicable, a “repurchase agreement,” a “securities contract,” a “forward contract,” a “swap agreement,” and a “master netting agreement,” as such terms are defined in sections 101(47), 741(7)(A), 101(25), 101(53B), and 101(38A) of the Bankruptcy Code, respectively, and each non-Debtor party thereto, including the DIP Repo Agent and the other DIP Repo Parties, is a “financial institution” within the meaning of section 101(22) of the Bankruptcy Code, a “financial participant” within the meaning of section 101(22A) of the Bankruptcy Code, and/or a “repo participant” within the meaning of section 101(46) of the Bankruptcy Code, and is and shall be entitled to the safe harbor protections, rights, and remedies set forth in the Bankruptcy Code, including, but not limited to, sections 362(b)(6), 362(b)(7), 362(b)(17), 362(b)(27), 362(o), 546(e), 546(f), 546(g), 546(j), 548(c), 548(d)(2), 555, 556, 559, 560, and 561 of the Bankruptcy

Code, in these Chapter 11 Cases, subject to the terms of this Final Order. No action or inaction of any DIP Repo Party shall constitute a waiver by such DIP Repo Party of any rights and remedies under the safe harbor protections of the Bankruptcy Code.

**I. Findings Regarding the DIP Repo Facilities.**

a. **Good Cause.** Good cause has been shown for the entry of this Final Order.

b. **Immediate Need for Postpetition Liquidity.** An immediate need exists for the Debtors to obtain access to liquidity in order to continue their operations and to administer and preserve the value of their estates. The ability of the Debtors to maximize value for all stakeholders requires the availability of the DIP Repo Facilities and the other financial accommodations pursuant to the DIP Repo Documents. Given the unique nature of the Debtors' capital requirements, in the absence of the availability of such funds and liquidity in accordance with the terms of the DIP Repo Documents and the DIP Repo Orders, the continued operation of the Debtors' businesses would not be possible, and serious and irreparable harm to the Debtors and their estates and creditors would occur. The Debtors do not have sufficient available sources of working capital or other liquidity to operate their businesses in the ordinary course without access to the DIP Repo Facilities and the other financial accommodations pursuant to the DIP Repo Documents. Consummation of the transactions contemplated by the DIP Repo Documents pursuant to the terms of the DIP Repo Orders therefore is in the best interests of the Debtors' estates.

c. **No Liquidity Available on More Favorable Terms.** Given their financial condition and capital structure, despite diligent efforts, the Debtors are unable to reasonably obtain postpetition liquidity from sources other than the DIP Repo Parties on terms more favorable than those set forth in the DIP Repo Orders and the DIP Repo Documents. The Debtors

have been unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors have also been unable to obtain secured credit from other sources (i) having priority over that of administrative expenses of the kind specified in sections 503(b), 507(a), and 507(b) of the Bankruptcy Code; (ii) secured only by a lien on property of the Debtors and their estates that is not otherwise subject to a lien; or (iii) secured solely by a junior lien on property of the Debtors and their estates that is already subject to a lien. Liquidity on a postpetition basis is not otherwise available without (x) granting to the DIP Repo Parties, the DIP Superpriority Claims and the DIP Repo Liens as set forth herein; (y) upon entry of this Final Order, and subject to the terms and conditions of the DIP Repo Facility, providing for the purchase of the B2 FIE Financed Loans and repayment the portion of the Prepetition Secured Note Outstanding Amount used to finance the B2 FIE Financed Loans (the “Prepetition B2 FIE Financed Loan Obligations”) (*provided, that*, the refinancing of the Prepetition B2 FIE Financed Loan Obligations, but not the purchase of the B2 FIE Financed Loans by the DIP Repo Purchasers, shall be subject to the investigation period set forth in the Cash Flow DIP Orders); and (z) the other protections set forth in the DIP Repo Orders and the DIP Repo Documents. Granting the DIP Superpriority Claims and DIP Repo Liens and permitting the purchase of the B2 FIE Financed Loans as described herein are conditions to the DIP Repo Parties’ agreements to provide the Debtors with the necessary liquidity they need under the DIP Repo Documents. The DIP Superpriority Claims against FGMC shall be granted on a superpriority administrative expense basis and shall be senior to all other administrative expense or other claims and any superpriority claims that may be granted in these Chapter 11 Cases. Maverick II, as the direct subsidiary of FGMC, will receive direct and indirect benefits from the transactions contemplated by the DIP Repo Documents, and its guaranty of the DIP Repo

Obligations on a superpriority administrative expense basis is in the best interests of the Debtors' estates. The superpriority administrative expense claims against Maverick II granted hereunder shall be senior to all other administrative expense or other claims and any other superpriority claims that may be granted in these Chapter 11 Cases, but subject to the Carve-Out.

d. ***Willingness to Provide Liquidity.*** The DIP Repo Parties have indicated a willingness to engage in the transactions contemplated by the DIP Repo Facility, the DIP Repo Documents and the DIP Repo Orders in reliance on, among other things, (i) the entry by the Bankruptcy Court of the Interim Order and this Final Order, (ii) approval by the Bankruptcy Court of the terms and conditions of the DIP Repo Documents with respect to the DIP Repo Obligations, and (iii) entry of findings of the Bankruptcy Court that, among other things, (A) the DIP Repo Facility and the other financial accommodations pursuant to the DIP Repo Documents are essential to the Debtors' estates and are being extended in good faith, (B) the DIP Superpriority Claims and the DIP Repo Liens will have the protections provided for in sections 363(m) and 364(e) of the Bankruptcy Code, and (C) all terms of the DIP Repo Orders will have the protections provided for in section 363(m) of the Bankruptcy Code.

e. ***Good Faith (§§ 363(m) & 364(e)).***

- (i) The DIP Repo Documents and the terms of the DIP Repo Orders were negotiated in good faith and at arm's length among the Debtors and the DIP Repo Parties.
- (ii) The DIP Repo Facility Parties are entering into the transactions pursuant to the DIP Repo Facility in good faith and are good faith purchasers within the meaning of section 363(m) and, to the extent applicable, section 364(e) of the Bankruptcy Code, and are therefore entitled to the full protection of section 363(m) and, to the extent applicable, section 364(e) of the Bankruptcy Code with respect to all aspects of the transactions contemplated by the DIP Repo Facilities.
- (iii) The liquidity to be provided under the DIP Repo Documents shall be deemed to have been extended in good faith and for valid business purposes and uses, within the meaning of sections 363(m) and 364(e) of the

Bankruptcy Code. The DIP Repo Parties are therefore entitled to the protection and benefits of sections 363(m) and 364(e) of the Bankruptcy Code and the DIP Repo Orders to the extent applicable.

f. **Notice.** Notice of the Final Hearing and the relief requested in the Motion has been provided by the Debtors, whether by facsimile, email, overnight courier or hand delivery, to certain parties as set forth in the Motion. Under the circumstances, the notice given by the Debtors of the Motion, the relief requested therein, and the Interim Hearing complies with the Bankruptcy Rules and Local Bankruptcy Rules, and no further notice of the relief granted herein is necessary or required.

Based upon the foregoing findings and conclusions, the Motion and the record before the Bankruptcy Court with respect to the Motion, and good and sufficient cause appearing therefor,

**IT IS HEREBY ORDERED that:**

1. **Motion Granted.** The Motion is granted on a final basis to the extent set forth herein. The Debtors are hereby authorized to enter into the DIP Repo Documents.

2. **Objections Overruled.** All objections to and reservations of rights with respect to the final relief sought in the Motion and to the entry of this Final Order, to the extent not withdrawn or resolved, are hereby overruled on the merits in their entirety.

**Provisions Relating to the DIP Repo Facility**

3. **Authorizations to Enter Into the DIP Repo Facility.** Pursuant to sections 105(a) and 363(b), and to the extent applicable, section 364(c) of the Bankruptcy Code, FGMC is immediately authorized and empowered to (i) enter into and perform its obligations under the DIP Repo Facility Agreement, (ii) execute and deliver all other DIP Repo Documents required or advisable to implement the DIP Repo Facility, and (iii) take all actions which may be necessary or

advisable for the performance by the Debtors under the DIP Repo Documents. The Debtors are hereby authorized and directed, without need to obtain further Court approval, to pay timely all amounts that are due and payable, or that become due and payable, under the DIP Repo Documents.

4. ***Ordinary Course Transactions Approved.*** Pursuant to sections 105(a), 363(c)(1) and 363(f) of the Bankruptcy Code, FGMC is authorized to sell and repurchase mortgage loans and related assets pursuant to the DIP Repo Facility in the ordinary course of business, free and clear of any and all liens, claims, encumbrances or other interests.

5. ***Purchase of B2 FIE Financed Loans and Refinancing of Prepetition B2 FIE Financed Loan Obligations Approved.*** Subject to the terms and conditions set forth in the DIP Repo Facility Agreement, the DIP Repo Purchasers are hereby authorized to purchase all of the B2 FIE Financed Loans and refinance the Prepetition B2 FIE Financed Loan Obligations (*provided, that*, the refinancing of the Prepetition B2 FIE Financed Loan Obligations, but not the purchase of the B2 FIE Financed Loans by the DIP Repo Purchasers, shall be subject to the investigation period set forth in the Cash Flow DIP Orders). Upon the purchase of the B2 FIE Financed Loans, any liens on the B2 FIE Financed Loans held by the Prepetition Secured Noteholder shall be deemed automatically released and terminated.

6. ***Security for the DIP Repo Facility Parties.***

a. Effective immediately upon entry of the Interim Order, the Bankruptcy Court hereby grants to the DIP Repo Agent, for the benefit of itself and the other DIP Repo Facility Parties valid, binding, enforceable, non-avoidable, automatically and properly perfected first-priority liens and security interests (the “DIP Repo Facility Liens”) in (i) the Purchased

Assets (as defined in the DIP Repo Facility Agreement) (collectively, the “DIP Repo Facility Backup Collateral”).

b. The DIP Repo Facility Liens are granted on the DIP Repo Facility Backup Collateral effective as of the Petition Date without the necessity of the execution by the Debtors (or recordation or other filing or notice) of security agreements, control agreements, pledge agreements, financing statements, mortgages, schedules or other similar documents, or the possession or control by the applicable agents or any other DIP Repo Party. As set forth below in Paragraph 26 of this Final Order, the DIP Repo Agent or any other DIP Repo Party may, but shall not be obligated to, execute, record, file, or notice such security agreements, control agreements, pledge agreements, financing statements, mortgages, schedules or other similar documents with respect to the DIP Repo Facility Liens, or possess or control the DIP Repo Facility Backup Collateral, and the automatic stay of section 362(a) of the Bankruptcy Code shall be modified to the extent necessary to implement the foregoing.

#### **Provisions Relating to DIP MSFTAs**

7. ***Authorizations Regarding the DIP MSFTAs.*** Pursuant to sections 105(a) and 363(b), and, to the extent applicable, section 364(c) of the Bankruptcy Code, FGMC is immediately authorized and empowered to (a) enter into and perform its obligations under the DIP MSFTAs, (b) execute and deliver all other DIP Repo Documents required or advisable to effect any DIP MSFTA, and (c) take all actions which may be necessary or advisable for the performance by the Debtors under the DIP MSFTAs.

8. ***Security for the DIP MSFTA Counterparties.***

(i) Effective immediately upon entry of the Interim Order, the Bankruptcy Court granted valid, binding, enforceable, non-avoidable, automatically and properly

perfected, postpetition first-priority liens and security interests, pursuant to section 364(c)(2) of the Bankruptcy Code (collectively, the “DIP MSFTA Liens”) to the DIP MSFTA Counterparties, in each case, to secure FGMC’s obligations under the DIP MSFTAs in, and right of setoff against, all Forward Collateral (as defined in the DIP MSFTAs) and all securities, money and other property, then or thereafter delivered by or on behalf of FGMC under such DIP MSFTA to or for the benefit of the DIP MSFTA Counterparties in connection with such DIP MSFTA or any Transaction (as defined in the DIP MSFTAs), or then or thereafter held or carried by or on behalf of FGMC in connection with the DIP MSFTA or any Transaction (as defined in the DIP MSFTAs) and, in each case, all proceeds of any of the foregoing (collectively, the “DIP MSFTA Collateral”).

(ii) The DIP MSFTA Liens are granted on the DIP MSFTA Collateral effective as of the Petition Date without the necessity of the execution by the Debtors (or recordation or other filing or notice) of security agreements, control agreements, pledge agreements, financing statements, mortgages, schedules or other similar documents, or the possession or control by the applicable agents or any other DIP Repo Party. As set forth below in Paragraph 26 of this Final Order, the DIP Repo Agent or any other DIP Repo Party may, but shall not be obligated to, execute, record, file, or notice such security agreements, control agreements, pledge agreements, financing statements, mortgages, schedules or other similar documents with respect to the DIP MSFTA Liens, or possess or control the DIP MSFTA Collateral, and the automatic stay of section 362(a) of the Bankruptcy Code shall be modified to the extent necessary to implement the foregoing.

### **Provisions Relating to DIP Netting Agreement**

9. *Authorizations Regarding the DIP Netting Agreement.* Pursuant to sections 105(a) and 363(b) and, to the extent applicable, section 364(c) of the Bankruptcy Code,

FGMC is immediately authorized and empowered to (a) enter into and perform its obligations under the DIP Netting Agreement, (b) execute and deliver all other DIP Repo Documents required or advisable to effect the DIP Netting Agreement, and (c) take all actions which may be necessary or advisable for the performance by the Debtors under the DIP Netting Agreement. Furthermore, the DIP Repo Agent is hereby authorized and empowered to exercise netting and setoff rights for the benefit of itself and the DIP Netting Parties in accordance with, and subject to, the terms and conditions set forth in the DIP Netting Agreement.

10. ***Security for the DIP Netting Parties.***

a. As set forth below in Paragraph 26 of this Final Order, the DIP Repo Agent or any other DIP Repo Party may, but shall not be obligated to, execute, record, file, or notice such security agreements, control agreements, pledge agreements, financing statements, mortgages, schedules or other similar documents with respect to the DIP Netting Liens, or possess or control the DIP Netting Collateral, and the automatic stay of section 362(a) of the Bankruptcy Code shall be modified to the extent necessary to implement the foregoing.

15. ***Treatment of DIP Repo Liens.*** The DIP Repo Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereafter granted in the Chapter 11 Cases or any Successor Case. The DIP Repo Liens shall be valid and enforceable against any trustee or other estate representative appointed in the Chapter 11 Cases or any Successor Case, upon the conversion of any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code (or in any Successor Case), and/or upon the dismissal of any of the Chapter

16. ***No Obligation to Make Purchases.*** The DIP Repo Parties shall have no obligation to make purchases, enter into transactions, or otherwise extend any financial accommodation under the DIP Repo Facilities unless and until the DIP Closing Date has occurred and the conditions precedent to the making of such purchases, entry into such other transactions or other extension of financial accommodation, as the case may be, under the relevant DIP Repo Documents have been satisfied in full or waived in accordance with the terms of the relevant DIP Repo Documents.

17. ***Use of DIP Proceeds.*** From and after the Petition Date, the Debtors are authorized, subject to the satisfaction of the terms and conditions set forth in the DIP Repo Orders and the DIP Repo Documents, to use proceeds of the DIP Repo Facilities (a) to pay the Prepetition B2 FIE Financed Loan Obligations (subject to the investigation period set forth in the Cash Flow DIP Orders), (b) to effectuate the sale and repurchase of mortgage loans and related assets pursuant to the DIP Repo Facilities, and (c) to pay customary fees and closing costs in connection with the DIP Repo Facilities and DIP Repo Documents; *provided, that*, the use of such proceeds shall be restricted as provided for in Paragraph 24 of this Final Order.

to the Debtors. No attorney or advisor to the DIP Repo Parties shall be required to file an application seeking compensation for services or reimbursement of expenses with the Court. Purchaser and/or any other Secured Party pursuant to and in accordance with any of the DIP Repo Documents, DIP Guaranty, the Sponsor Guaranty, any other DIP Repo Document, the Interim Order or this Final Order, or any order of the Bankruptcy Court or otherwise. In addition, following any DIP Forbearance Period, any Purchaser, Secured Party, or any DIP Repo Party may exercise any rights to unilateral enforcement pursuant to the applicable DIP Repo Documents.

c. The rights and remedies set forth herein are non-exclusive may be exercised without presentment, demand, protest or other notice of any kind (except for any notice expressly required hereunder), all of which are hereby expressly waived by each of FGMC and any other Debtor. For the avoidance of doubt, upon the occurrence and during the continuance of a DIP Event of Default, the interest rate that is used to calculate amounts due under the DIP Repo Facility Agreement (including Price Differential) shall automatically be the Default Rate without any further action required by DIP Repo Agent or any Purchaser party to the DIP Repo Facility Agreement.<sup>16</sup>

d. Notwithstanding anything herein to the contrary, (i) if a DIP Event of Default exists at the end of the DIP Forbearance Period, then the DIP Repo Parties shall be permitted to immediately exercise all of their other rights and remedies under the DIP Repo Documents; and (ii) the DIP Repo Parties shall not be required to permit any funding or other financial accommodation under the DIP Repo Documents during the DIP Forbearance Period unless and until the forgoing conditions shall have been satisfied during such period. The automatic stay provisions of section 362 of the Bankruptcy Code are hereby vacated and modified to the extent necessary, without the need for any further order of the Bankruptcy Court, to permit

the DIP Repo Parties to exercise all rights and remedies under the DIP Repo Documents and under this Final Order, in accordance with the terms of this Final Order.

e. No failure on the part of the DIP Repo Agent or a DIP Repo Party to exercise, and no delay by the DIP Repo Agent or DIP Repo Party in exercising, any right, power or remedy under this Final Order (including rights or remedies under the safe harbor protections of the Bankruptcy Code referenced in Paragraph H of this Final Order) or the DIP Repo Documents shall operate as a waiver of any such right, power or remedy, nor shall any single or partial exercise by the DIP Repo Agent or a DIP Repo Party of any right, power or remedy under this Final Order (including rights or remedies under the safe harbor protections of the Bankruptcy Code referenced in Paragraph H of this Final Order) or the DIP Repo Documents preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

22. ***Maintenance and Disposition of DIP Repo Collateral and Cash Management.*** Until the indefeasible payment in full in cash of all DIP Repo Obligations and the termination of the obligation of the DIP Repo Parties to extend liquidity pursuant to the DIP Repo Facility, the Debtors shall maintain their cash management system as in effect as of the Petition Date, (i) subject to the DIP Repo Documents, (ii) subject to the terms of this Final Order, and (iii) subject to any orders of the Bankruptcy Court with respect to the Debtors' cash management system. The Debtors shall not sell, transfer, lease, encumber, or otherwise dispose of any portion of the DIP Repo Collateral (or the proceeds thereof) without the prior written consent of the DIP Repo Agent or the DIP MSFTA Counterparties, as applicable, in accordance with the DIP Repo Documents, as applicable, (and no consent shall be implied from any other action, inaction, or acquiescence by the DIP Repo Agent or the DIP MSFTA Counterparties, or from any order of this

Court), except as otherwise provided in the DIP Repo Documents or otherwise ordered by the Bankruptcy Court.

23. ***Rights of Access and Information.*** Without limiting the rights of access and information afforded the DIP Repo Parties under the DIP Repo Documents, the Debtors shall be, and hereby are, required to afford Representatives, agents and/or employees of the DIP Repo Agent reasonable access to: (a) the Debtors' premises, (b) knowledgeable officers of the Debtors, (c) the Debtors' books and records, (d) the Debtors' properties and other collateral of any Debtor against whom such parties are granted DIP Repo Liens under the DIP Repo Orders, (e) all reports and information furnished to the Cash Flow DIP Lender (or its advisors) under the Cash Flow DIP Documents and the Cash Flow DIP Orders; and (f) the Sponsor, (or its advisors). The Debtors shall reasonably cooperate, consult with, and provide to the DIP Repo Agent and the DIP Repo Parties all such information as may be reasonably requested.

24. ***Restrictions on Use of Proceeds of the DIP Repo Facility.*** None of the DIP Repo Facilities or any proceeds thereof, or any portion of the Carve-Out (as defined in the Cash Flow DIP Orders), may be used to pay, directly or indirectly by the Debtors, non-Debtor affiliates, the Creditors' Committee, any trustee or other estate representative appointed in the Chapter 11 Cases or any Successor Case, or any other party (or to pay any professional fees, disbursements, costs, or expenses incurred in connection therewith) for any of the following actions or activities without the written consent of the DIP Repo Agent and the DIP MSFTA Counterparties: (a) to seek authorization to obtain liens or security interests on any asset of the Debtors that constitutes the DIP Repo Collateral or is otherwise subject to the DIP Repo Liens or claims that are senior to, or on parity with, the DIP Superpriority Claims (other than as provided

here for in the DIP Repo Orders with respect to the DIP Superpriority Claims against Maverick II); (b) to seek authorization to obtain claims against the Debtors or their property that are senior to, or *pari passu* with, the liens and claims identified in the preceding sub-clause (a); or (c) except as expressly set forth herein, directly or indirectly prepare, assert, join, commence, support, or prosecute any action for any claim, counterclaim, action, proceeding, application, motion, objection, defense, or other contested matter seeking any order, judgment, determination, or any other relief against, or adverse to the interests of, the DIP Repo Parties and any of their respective Representatives with respect to any transaction, occurrence, omission, action, or other matter, including, without limitation, (i) any Avoidance Action, (ii) any “lender liability” claims and causes of action, (iii) any action with respect to the validity, enforceability, priority and extent of, or asserting any defense, counterclaim, or offset to, the DIP Repo Liens, the DIP Superpriority Claims, or the DIP Repo Obligations, (iv) any action seeking to invalidate, modify, reduce, expunge, disallow, set aside, avoid, or subordinate, in whole or in part, any of the obligations identified in the preceding clause (iii), (v) any action seeking to modify any of the rights, remedies, priorities, privileges, protections, and benefits granted to the parties hereunder or under any of the documents referred to herein, including claims, proceedings, or actions that might prevent, hinder, or delay any of such parties’ assertions, enforcement, realizations, or remedies on or against their collateral and rights herein, or (vi) objecting to, contesting with, or interfering with, in any way, such parties’ enforcement or realization upon any of their collateral or rights, once a DIP Event of Default has occurred; *provided* that the Debtors shall be permitted to challenge the validity of any alleged DIP Event of Default.

**25. *No Direct Obligation to Pay Allowed Fees; No Waiver of Right to Object to Fees.*** The DIP Repo Parties shall not be responsible for (i) the payment or reimbursement of

any Prepetition Repo Facility Obligations or (ii) payment or reimbursement of any fees or disbursement of any professional incurred in connection with these Chapter 11 Cases, any Successor Case, or otherwise. Nothing in this Final Order or otherwise shall be construed: (a) to obligate the DIP Repo Parties in any way, to pay compensation to, or reimburse expenses of, any professional or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement; (b) as consent to the allowance of any fees and expenses of any professionals; or (c) to affect the rights of the DIP Repo Parties, or any other party in interest to object to the allowance and payment of such fees and expenses.

**26. *Automatic Perfection of DIP Repo Liens.***

a. This Final Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Repo Liens without the necessity of filing or recording financing statements, intellectual property filings, mortgages, notices of lien or similar instruments in any jurisdiction, taking possession of or control over any assets, or taking any other action to validate or perfect (in accordance with applicable non-bankruptcy law) the DIP Repo Liens or to entitle the DIP Repo Parties to their respective priorities granted herein.

b. Notwithstanding the foregoing, and without in any way limiting Paragraph 6 above, the DIP Repo Parties are hereby authorized, but not required, to file or record (and to execute in the name of the Debtors), as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law, financing statements, intellectual property filings, mortgages, notices of lien or similar instruments in any jurisdiction, take possession of or control over any assets, or take any other action, as they may elect, in order to validate and perfect the liens and security interests granted to them hereunder. Whether or not the DIP Repo Parties choose, in their sole discretion, to file such financing statements, intellectual property filings,

mortgages, notices of lien or similar instruments in any jurisdiction, take possession of or control over any assets, or otherwise confirm perfection of the liens and security interests granted to the DIP Repo Parties hereunder, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination (subject to the priorities set forth in this Final Order) immediately upon entry of the Interim Order.

c. The DIP Repo Parties may, but shall not be obligated to, obtain consents from any landlord, licensor, or any other party in interest to file mortgages, financing statements, notices of lien or similar instruments, or otherwise record or perfect their security interests and liens, in which case: (i) all such documents shall be deemed to have been recorded and filed as of the time and on the date of entry of the Interim Order; and (ii) no defect in any such act shall affect or impair the validity, perfection or enforceability of such liens. The automatic stay of section 362(a) of the Bankruptcy Code shall be modified to the extent necessary to permit the DIP Repo Parties to take all actions, as applicable, referenced in this sub-clause (c).

d. The Debtors are authorized to execute and deliver promptly upon demand by the DIP Repo Parties all such financing statements, mortgages, notices and other documents as the DIP Repo Parties may reasonably request. The Debtors are authorized to, and shall, execute and deliver to the DIP Repo Parties, such agreements, financing statements, mortgages, instruments and other documents as the DIP Repo Parties may reasonably request to evidence, confirm, validate, or perfect the DIP Repo Liens and the failure by the Debtors to execute or deliver any documentation relating to the DIP Repo Liens shall in no way affect the validity, enforceability, nonavoidability, perfection, or priority of such liens.

e. In lieu of obtaining such consents or filing any such mortgages, financing statements, notices of lien or similar instruments, the DIP Repo Parties may, but shall

not be obligated to, file a true and complete copy of the Interim Order and, following entry of this Final Order, this Final Order, in any place at which any such instruments would or could be filed, together with a description of the DIP Repo Liens and DIP Repo Collateral, and such filings by the DIP Repo Parties shall have the same effect as if such mortgages, deeds of trust, financing statements, notices of lien or similar instruments had been filed as of the entry of the Interim Order.

f. The automatic stay provisions of section 362 of the Bankruptcy Code are hereby vacated and modified to the extent necessary, without the need for any further order of the Bankruptcy Court, to permit the DIP Repo Parties to effectuate all the terms and provisions and exercise all rights and remedies under the DIP Repo Documents and this Final Order.

27. ***Good Faith.*** The DIP Repo Parties have acted in good faith in connection with the DIP Repo Orders and their reliance on the DIP Repo Orders is in good faith. Based on the findings set forth in this Final Order and the record made during the Final Hearing, in accordance with sections 363(m) and 364(e) of the Bankruptcy Code, as applicable, in the event any or all of the provisions of this Final Order are hereafter modified, amended or vacated by a subsequent order of the Bankruptcy Court, or any other court, the DIP Repo Parties are entitled to the protections provided in sections 363(m) and 364(e) of the Bankruptcy Code, as applicable. Any such modification, amendment or vacatur shall not affect the validity and enforceability of the DIP Repo Obligations, the DIP Repo Liens, or the DIP Superpriority Claims, unless the authorization and the incurring of debt, or the granting of such priority or lien pursuant to this Final Order, is stayed pending appeal. Any liens or claims granted to the DIP Repo Parties hereunder arising prior to the effective date of any such modification, amendment or vacatur of this Final

Order shall be governed in all respects by the original provisions of this Final Order, including entitlement to all rights, remedies, privileges and benefits granted herein.

28. ***Proofs of Claim.*** None of the DIP Repo Parties shall be required to file proofs of claim in the Chapter 11 Cases, including with respect to other claims not the subject of this Final Order, and the Debtors' stipulations in the Interim Order or this Final Order shall be deemed to constitute a timely filed proof of claim. Any order entered by the Bankruptcy Court in connection with the establishment of a bar date for any claim (including without limitation administrative claims) in the Chapter 11 Cases or any Successor Case shall not apply to the DIP Repo Parties. Notwithstanding the foregoing, or any subsequent order of the Bankruptcy Court concerning proof of claim filing requirements, the DIP Repo Agent is authorized (but not obligated) to file a single master proof of claim in the Chapter 11 Cases on behalf of themselves and the DIP Repo Parties on account of their claims arising under the DIP Repo Documents or otherwise.

29. ***No Third Party Rights.*** Except as explicitly provided for herein, this Final Order does not create any rights for the benefit of any third party, creditor, equity holder, or any direct, indirect or incidental beneficiary.

30. ***Section 506(c) Waiver.*** No costs or expenses of administration which have been or may be incurred in these Chapter 11 Cases or any Successor Cases at any time shall be charged, pursuant to sections 105 or 506(c) of the Bankruptcy Code or any other legal or equitable doctrine (including unjust enrichment) or any similar principle of law, against any of the DIP Repo Parties.

31. ***Section 552(b).*** The "equities of the case" exception under section 552(b) shall not apply to the DIP Repo Parties (by its terms).

32. ***No Marshaling/Applications of Proceeds.*** The DIP Repo Parties shall not be subject to the equitable doctrine of “marshaling” or any other similar doctrine with respect to any obligations, liens or collateral acknowledged or approved pursuant to the DIP Repo Orders.

33. ***Credit Bidding.*** No entity other than the DIP Repo Parties shall have a right to credit bid in connection with any sale that includes any DIP Repo Collateral whatsoever, unless the DIP Repo Obligations are indefeasibly paid in full in cash.

34. ***U.S. Government.*** In determining to enter into any transaction under the DIP Repo Documents, the DIP Repo Agent shall not be deemed to be in control of the operations of the Debtors or to be acting as a “responsible person” or “owner or operator” with respect to the operation or management of the Debtors, so long as the DIP Repo Parties’ actions do not constitute, within the meaning of 42 U.S.C. § 9601(20)(F), actual participation in the management or operational affairs of a vessel or facility owned or operated by a Debtor, or otherwise cause liability to arise to the federal or state government or the status of responsible person or managing agent to exist under applicable law (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 *et seq.*, as amended, or any similar federal or state statute). Nothing in the DIP Repo Orders or the DIP Repo Documents shall permit the Debtors to violate 28 U.S.C. § 959(b). As to the United States, its agencies, departments, or agents, nothing in the DIP Repo Orders or the DIP Repo Documents shall discharge, release or otherwise preclude any valid right of setoff or recoupment that any such entity may have. Nothing in the DIP Repo Orders or the DIP Repo Documents shall be construed to limit the right of any governmental unit to take any action not subject to the automatic stay.

35. ***Discharge Waiver.*** The Debtors expressly stipulate, and the Bankruptcy Court finds and adjudicates that, none of the obligations, liens or superpriority claims granted or approved by the DIP Repo Orders shall be discharged by the entry of an order confirming any plan of reorganization, notwithstanding the provisions of section 1141(d) of the Bankruptcy Code, unless such obligations, as applicable, have been indefeasibly paid in full in cash on or before the effective date of a confirmed plan of reorganization.

36. ***Modification of Automatic Stay.*** The automatic stay provisions of Section 362 of the Bankruptcy Code are hereby vacated and modified to the extent necessary, without the need for any further order of the Bankruptcy Court, to permit the DIP Repo Parties to effectuate all the terms and provisions and exercise all rights and remedies under the DIP Repo Documents and the DIP Repo Orders.

37. ***No Waiver by Failure to Seek Relief.*** The failure or delay of any DIP Repo Parties to seek relief or otherwise exercise their respective rights and remedies under this Final Order or the documents governing such agreements or facilities, or applicable law, as the case may be, shall not constitute a waiver of any rights hereunder, thereunder, or otherwise.

38. ***Binding Effect of Final Order.*** Immediately upon entry by the Bankruptcy Court (notwithstanding any applicable Bankruptcy Rules or any other law or rule to the contrary), the terms and provisions of this Final Order, including the liens granted herein, shall become valid and binding upon and inure to the benefit of all the parties hereto and their respective successors and assigns. To the extent there is any applicable stay of this Final Order, it is hereby waived.

39. ***No Modification of Final Order.*** The Debtors irrevocably waive the right to seek and shall not seek or consent, directly or indirectly without the prior written consent of the DIP Repo Agent and the DIP Repo Parties, which consent may be refused in their sole and absolute

discretion: (a) any modification, stay, vacatur, amendment or extension of this Final Order; and (b) the granting of a priority claim for any administrative expense or unsecured claim against the Debtors in the Chapter 11 Cases or any Successor Case, equal or superior to any lien or superpriority claim granted pursuant to this Final Order.

40. ***Final Order Controls.*** In the event of any inconsistency between the terms and conditions of the DIP Repo Documents, this Final Order, the Cash Management Orders, or the Cash Flow DIP Orders, the provisions of this Final Order shall govern and control solely to the extent of the inconsistency.

41. ***Survival.*** The provisions of this Final Order and any actions taken pursuant hereto shall survive entry of any order which may be entered: (a) confirming any plan of reorganization in the Chapter 11 Cases; (b) converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code; (c) dismissing any of the Chapter 11 Cases or any Successor Case; or (d) pursuant to which the Bankruptcy Court abstains from hearing the Chapter 11 Cases or any Successor Case. The terms and provisions of this Final Order, including the claims, liens, security interests and other protections granted pursuant to this Final Order, notwithstanding the entry of any such order, shall continue in the Chapter 11 Cases, in any Successor Case, or following dismissal of any of the Chapter 11 Cases or any Successor Case, and shall maintain their priority as provided in this Final Order until all obligations related thereto have been paid in full.

42. ***Preservation of Rights Granted Under this Final Order.***

a. Without in any way limiting the preceding Paragraph, if an order dismissing the Chapter 11 Cases under sections 305 or 1112 of the Bankruptcy Code or otherwise is at any time entered, the Debtors shall request that such order shall provide (in accordance with sections 105 and 349 of the Bankruptcy Code) that (i) the liens and superpriority claims granted

pursuant to this Final Order shall continue in full force and effect, shall maintain their priority as provided in this Final Order and shall, notwithstanding such dismissal, remain binding on all parties in interest until all obligations pertaining thereto shall have been indefeasibly paid in full in cash (with interest) and the related commitments shall have been terminated in accordance with their terms and (ii) the Bankruptcy Court shall retain non-exclusive jurisdiction, notwithstanding such dismissal, for the purposes of enforcing such claims and obligations.

b. If any or all of the provisions of this Final Order are hereafter reversed, modified, vacated or stayed, such reversal, stay, modification or vacation shall not affect (i) the validity and enforceability of any obligations incurred prior to the actual receipt by the affected parties of written notice of the effective date of such reversal, stay, modification or vacation and (ii) the validity and enforceability of the liens and superpriority claims authorized or created hereby, unless any or all of the provisions of this Final Order are stayed pending appeal. Notwithstanding any such reversal, stay, modification or vacation, the obligations incurred by the Debtors hereunder and under the applicable documents, prior to the actual receipt of written notice of the effective date of such reversal, stay, modification or vacation, shall be governed in all respects by the original provisions of this Final Order, and the parties shall be entitled to all the rights, remedies, privileges and benefits of sections 363(m) and 364(e) of the Bankruptcy Code, this Final Order and pursuant to the applicable documents.

43. ***Fannie Mae Rights.***

(a) Notwithstanding anything to the contrary contained in the DIP Repo Documents, the DIP Repo Facility Documents or this Final DIP Repo Order, (i) the assets sold pursuant to the DIP Repo Facility Documents (including the Purchased Assets) do not include, (ii) no lien or security interest granted pursuant to the DIP Repo Facility Documents or this Final DIP

Repo Order (including, without limitation, the DIP Repo Guarantee Liens, the DIP Repo Facility Liens, the DIP Repo Liens, the Adequate Protection Liens, the Cash Flow DIP Liens or any adequate protection lien) shall attach to, modify, include or otherwise affect, and (iii) no administrative expense claim (of a superpriority nature or otherwise) shall prime, encumber, impair or limit in any way: (1) any mortgage loan presently owned by, subsequently transferred to, or otherwise acquired by, the Federal National Mortgage Association (together with any successor thereto, “Fannie Mae”; and such mortgage loans, the “Fannie Mae Loans”), (2) any servicing rights with respect to the Fannie Mae Loans (the “Fannie Mae Servicing Rights”), (3) the Fannie Mae Lender Contract (as defined below) or any rights of the Debtors, or obligations of Fannie Mae, under the Fannie Mae Lender Contract or any of Fannie Mae’s rights with respect to the sale and delivery of mortgage loans to, or the servicing of Fannie Mae Loans for, Fannie Mae under the Fannie Mae Lender Contract or the rights or obligations of the Debtors, or rights or obligations of Fannie Mae, under the Fannie Mae Lender Contract; and/or (d) any cash, accounts, or other collateral (or any proceeds of the foregoing) that has been pledged to Fannie Mae pursuant to any collateral pledge agreement or other security agreement between FGMC and Fannie Mae. Each of the DIP Repo Facility Parties stipulates that it has no claim as a secured creditor against Fannie Mae in connection with the DIP Repo Facility.

(b) Furthermore, without limiting the foregoing, none of the principal, interest, and funds for the payment of property taxes and insurance premiums, mortgage insurance, condominium fees, or any other amounts collected by any Debtor or any subservicer in connection with its performance of its servicing obligations under the Fannie Mae Lender Contract are property of the Debtors’ estates under section 541 of the Bankruptcy Code. Fannie Mae reserves all rights in and under all of its agreements with the Debtors, including, the Fannie Mae Lender

Contract, none of which are impaired by DIP Repo Documents, the DIP Repo Facility Documents or this Final DIP Repo Order. None of the DIP Repo Parties or any other applicable lender has any claim against Fannie Mae arising by virtue of this Final DIP Repo Order. No secured claim or administrative expense granted pursuant to, or lien approved by, this Final DIP Repo Order, trumps, or negatively impacts, in any way, Fannie Mae's rights and the Debtors' obligations under the Fannie Mae Lender Contract (including, without limitation, with respect to the Fannie Mae Loans and the Fannie Mae Servicing Rights).

(c) If, notwithstanding the foregoing, any lender or other party hereafter asserts that the Purchased Assets, DIP Repo Guarantee Liens, the Adequate Protection Liens, the Cash Flow DIP Liens, DIP Repo Liens, DIP Repo Facility Backup Collateral and related adequate protection collateral, or any other lien in any other collateral that may be approved or granted pursuant to the terms of this Final DIP Repo Order, include (i) any Fannie Mae Servicing Rights, (ii) the Fannie Mae Lender Contract, and/or (iii) any other rights of the Debtors, or rights or obligations of Fannie Mae, under the Fannie Mae Lender Contract, any and all security interests therein shall be subject and subordinate to all rights of Fannie Mae under the Mortgage Selling and Servicing Contract, the Fannie Mae Selling Guide, the Fannie Mae Servicing Guide and all supplemental servicing instructions or directives provided by Fannie Mae, all applicable master agreements, recourse agreements, repurchase agreements, indemnification agreements, loss-sharing agreements, and any other agreements between Fannie Mae and the Debtors, and all as amended, restated or supplemented from time to time (collectively, the "Fannie Mae Lender Contract"), which rights include, among other rights, the right of Fannie Mae to: (i) terminate at any time, all or a portion of, the Fannie Mae Lender Contract or the Fannie Mae Servicing Rights

with or without cause and (ii) sell, or have transferred, the Fannie Mae Servicing Rights with any such sale or transfer being subject to Fannie Mae's consent.

(d) Fannie Mae reserves all of its rights under the Fannie Mae Lender Contract.

If there is any conflict between the terms of the Fannie Mae Lender Contract and those of the DIP Repo Documents, the DIP Repo Facility Documents or this Final DIP Repo Order, the terms of the Fannie Mae Lender Contract, shall explicitly supersede and control. Nothing in the DIP Repo Orders or the DIP Repo Documents shall discharge, release or otherwise preclude any valid right of setoff or recoupment that Fannie Mae may have.

44. ***Freddie Mac Rights.***

(a) Notwithstanding anything contrary in the DIP Repo Documents or the DIP Repo Facility Documents or in this Final DIP Repo Order – (i) no lien or security interest granted pursuant to the DIP Repo Documents or in this Final DIP Repo Order (including, without limitation, the DIP Repo Guarantee Liens, the DIP Repo Facility Liens, the DIP Repo Liens, the Adequate Protection Liens, the Cash Flow DIP Liens or any other lien that may be approved pursuant to the terms of this Final DIP Repo Order) shall attach to, modify, include, encumber, impair or otherwise affect and (ii) no administrative expense claim (of a superpriority nature or otherwise) shall prime, encumber, impair or limit, in any way: (1) any mortgage loans presently owned by, subsequently transferred to, or otherwise acquired by, the Federal Home Loan Mortgage Corporation (“Freddie Mac”; and all such mortgage loans shall be referred to as the “Freddie Mac Loans”); (2) the Freddie Mac Agreements (defined below) or any of Freddie Mac's rights with respect to the sale and delivery of mortgage loans to, or the servicing of Freddie Mac Loans for, Freddie Mac under the Freddie Mac Single-Family Seller/Servicer Guide (“Freddie Mac Guide”), the Freddie Mac Single-Family/Servicer Guide Plus Additional Provisions, certain applicable

Master Agreements (as defined in the Freddie Mac Guide), Purchase Contracts (as defined in the Freddie Mac Guide), Pricing Identifier Terms (as defined in the Freddie Mac Guide) supplements, addendums, Bulletins (as defined in the Freddie Mac Guide), directives, terms of business and any other agreements between the Debtors and Freddie Mac, as amended, restated or supplemented from time to time (collectively, the “Freddie Mac Agreements”), or the Debtors’ obligations with respect thereto; and/or (c) any cash, accounts, or other collateral (or any proceeds of the foregoing) that has been pledged to Freddie Mac pursuant to any collateral pledge agreement or other security agreement between FGMC and Freddie Mac.

(b) Furthermore, and without limiting the foregoing, none of the principal, interest, and funds for the payment of property taxes and insurance premiums, mortgage premiums, condominium fees, or any other amounts collected by any Debtor (or any sub-servicer) in connection with the Debtors’ performance of their servicing obligations under the Freddie Mac Agreements are property of the Debtors’ estates under section 541 of the Bankruptcy Code. Freddie Mac reserve all rights in, and under, the Freddie Mac Agreements. None of the DIP Repo Parties or any other applicable lender has a claim against Freddie Mac arising by virtue of this Final DIP Repo Order. No secured claim or administrative expense granted pursuant to, or lien approved by, this Final DIP Repo Order, trumps, or negatively impacts, in any way, Freddie Mac’s rights and the Debtors’ obligations under the Freddie Mac Agreements (including, without limitation, with respect to the Freddie Mac Loans and the Freddie Mac Servicing Contract Rights).

(c) If notwithstanding the foregoing, any lender or other party hereafter asserts that the DIP Repo Guarantee Liens, the Adequate Protection Liens, the Cash Flow DIP Liens and related adequate protection collateral, or any other lien in any other collateral that may be approved or granted pursuant to the terms of this Final DIP Repo Order, include: (i) any Servicing Contract

Rights (as defined in the Freddie Mac Agreements) relating to Freddie Mac Loans; (ii) any Freddie Mac Agreement; and/or (iii) any other rights of Freddie Mac, or the obligations of the Debtors, under any Freddie Mac Agreement, any and all security interests therein shall be subject and subordinate to all rights of Freddie Mac under the Freddie Mac Agreements, which rights include, among other rights, the right to: (i) terminate, at any time, all, or any portion of, Servicing (as defined by the Freddie Mac Agreements) by FGMC, and/or to suspend or disqualify FGMC as Seller or Servicer (as defined in the Freddie Mac Agreements, with or without cause, and (ii) sell, or have transferred, the Freddie Mac Servicing Contract Rights (as defined in the Freddie Mac Agreements) associated with Freddie Mac Loans, with any such sale or transfer being subject to Freddie Mac and its conservator, Federal Housing Finance Agency's consent.

(d) Freddie Mac reserves all of its rights under all Freddie Mac Agreements. If there is any conflict between the terms of any Freddie Mac Agreements and those of the DIP Repo Documents or in this DIP Repo Order, the Freddie Mac Agreements shall explicitly supersede and control. Nothing in the DIP Repo Orders or the DIP Repo Documents shall discharge, release or otherwise preclude any valid right of setoff or recoupment that Freddie Mac may have.

(c) authorize or grant any lien or security interest in any escrow or custodial account, and all funds therein, held by the Debtors for any mortgage loan insured by FHA, RHS or VA or any mortgage-backed security guaranteed by GNMA;

(d) waive, release or obviate the Debtors’ obligations and requirements to comply with all Federal Law with respect to the sale, assignment, transfer or conveyance of any mortgage loan (or pools of mortgage loans) backing a GNMA guaranteed mortgage-backed security, mortgage servicing rights, or real estate obtained by foreclosure;

(i) GNMA is a wholly-owned Government Corporation within the U.S. Department of Housing and Urban Development ("HUD"), pursuant to 12 U.S.C. § 1716, et seq. GNMA is a federal agency that guarantees investors the timely payment of principal and interest on mortgage-backed securities ("MBS") backed by federally insured or guaranteed mortgage loans (e.g., mortgage loans insured by FHA, guaranteed by VA, or guaranteed by the RHS). Notwithstanding anything contained in the DIP Repo Facility Documents, DIP Repo Documents, or DIP Repo Orders, no lien, security interest granted pursuant to the DIP Repo Facility Documents, DIP Repo Documents or DIP Repo Orders (including the DIP Repo Liens, DIP Repo Guarantee Liens or any other adequate protection lien) shall attach to, discharge, release, extinguish, terminate, modify, subordinate, prime,

grant a lien or administrative claim in, or otherwise impair, GNMA's interests in or rights to mortgage loans pooled for sale in the GNMA platform upon repurchase from the DIP Repo Purchaser (collectively, "GNMA Mortgages") and any related collateral, nor shall it preclude or limit GNMA's rights pursuant to 12 U.S.C. § 1721(g) or under the GNMA Guide, all guaranty agreements, MBS prospectus documents, escrow agreements, unilateral notification, notices of violation, supplements, addendums, amendments, and related agreements, (collectively, the "GNMA Agreements"). GNMA's collateral includes, but is not limited to the GNMA Agreements, cash, account or collateral held or required to be held by the Debtors, the non-Debtor affiliates or subservicers as that term is defined in the GNMA Agreements, GNMA, or any other party in connection with the GNMA guaranty agreements, including without limitation all principal and interest custodial accounts and funds, and all taxes and insurance custodial accounts and funds, established in accordance with the GNMA program requirements (collectively, "GNMA Collateral"). Nothing in the DIP Repo Facility Documents, DIP Repo Documents, or DIP Repo Orders, nor any lien, security interest granted pursuant to the DIP Repo Facility Documents, DIP Repo Documents or DIP Repo Orders (including the DIP Repo Liens, DIP Repo Guarantee Liens or any adequate protection lien) shall permit any entity to acquire, possess, or control GNMA securities or related collateral except with GNMA's express written consent and approval, in accordance with the GNMA Agreements.

(ii) Nothing in the DIP Repo Facility Documents, DIP Repo Documents or DIP Repo Orders shall modify, impair or affect (i) the Debtors' mortgage servicing and securitization obligations relating to GNMA, and such obligations shall not be transferred by the Debtors to any other party without the express prior written consent and approval of

GNMA in its sole and absolute discretion; (ii) the Debtors' requirements to obtain GNMA's express written consent and approval prior to the assumption or assignment of any agreements between any of the Debtors and GNMA, including, without limitation, the GNMA Agreements, and such consent shall be in GNMA's sole and absolute discretion; and (iii) the Debtors' requirements to obtain GNMA's express written consent and approval prior to any severance of rights and obligations or any other modification of any agreement between any of the Debtors and GNMA, including, without limitation, the GNMA Agreements, and such consent shall be in GNMA's sole and absolute discretion. For the avoidance of doubt, the Debtors and GNMA shall enter into good faith negotiations and use commercially reasonable efforts to resolve the claims of GNMA and the assumption or assignment of the GNMA Agreements in any sale transaction, as applicable. The DIP Repo Parties agree that they have no claim as a secured creditor against GNMA nor the GNMA Collateral in connection with the DIP Repo Facility Documents, DIP Repo Documents or DIP Repo Orders.

(iii) Furthermore, none of the principal, interest, and funds for the payment of property taxes and insurance premiums, escrow accounts, mortgage insurance premiums, homeowner or condominium fees, or any other amounts collected by any Debtor or any subservicer in connection with its performance of its servicing obligations under the GNMA Guaranty Agreement are property of the Debtors' estates under section 541 of the Bankruptcy Code. The Debtors shall continue (i) to honor and perform under the GNMA Agreements, (ii) to honor and pay the GNMA buyout obligations, (iii) to pay transfer fees of approximately \$250 to \$500 per pool or loan package (the "GNMA Transfer Fees") when Debtor transfers the issuer responsibility for such pools or loan packages to

another issuer, (iv) to pay the monthly fee for GNMA's full faith and credit guaranty (the "GNMA Guaranty Fee"), (v) to pay the fees of the document custodian (including, as required by the GNMA Agreements, the obligation to pay fees to post letters of credit if the document custodian determines that the Debtors submitted an incomplete package of documents), (vi) to pay the fees of the funds custodian, (vii) to pay the fees of the central paying and transfer agent, including, in each instance, all obligations related to loans originated both prepetition and postpetition; (viii) to service GNMA MBS in the ordinary course, and (ix) to service all mortgages in the ordinary course, and GNMA reserve all rights in and under 12 U.S.C. § 1716 et seq., 24 C.F.R. Part 300 and all of their respective agreements with the Debtors, including the GNMA Agreements, none of which are impaired by the DIP Repo Facility Documents, DIP Repo Documents or DIP Repo Orders.

(iv) If, notwithstanding the foregoing, any party hereafter asserts that the DIP Repo Liens, DIP Repo Guarantee Liens, DIP Repo Collateral or any adequate protection collateral include any GNMA Mortgages or GNMA Collateral, or any rights of the Debtors, or obligations owed to GNMA under any GNMA Agreement, any and all security interests therein shall be subject and subordinate to all rights of GNMA under 12 U.S.C. § 1716 et seq., 24 C.F.R. Part 300 and the GNMA Agreements, which rights include, among other rights, the right of GNMA to terminate the guaranty agreement (as defined in GNMA Agreements) and seize all the assets related to the mortgage loans collateralizing the MBS, including, but not limited to, the mortgage loans, which includes the related mortgage servicing rights, related proceeds from borrower payments, all claim payments and any and all rights associated with the mortgage loans and MBS. GNMA reserves all of its rights under 12 U.S.C. § 1716 et seq., 24 C.F.R. Part 300 and all GNMA Agreements.

(v) If there is any conflict between the terms of the GNMA Agreements, on the one hand, and those of the DIP Repo Facility Documents, DIP Repo Documents or DIP Repo Orders, on the other hand, the terms of the GNMA Agreements shall control.

47. ***Retention of Jurisdiction.*** The Bankruptcy Court shall retain jurisdiction to enforce this Final Order according to its terms to the fullest extent permitted by applicable law.
